WHY IT MATTERS

Your skills can remove a real barrier: a ramp, a rail, a door, a path.

HOW TO DO IT

- 1 Find one vetted need with a local partner (a church, school, nonprofit, or family).
- 2 Scope it with the plan on page 2.
- 3 Follow codes, permits, and safety rules.
- 4 Share the before-and-after (with permission).

WHAT YOU NEED
